

The mission of the Gold Tone Senior Citizen Show Choir is to provide, through a choral venue, an outlet for displaying the singing talents of interested men and women aged fifty and over. It is our desire to challenge ourselves to grow musically and to be role models for all seniors, while entertaining audiences with our best singing efforts. We also encourage seniors to be active and involved to improve their way of life. We are a non-profit organization under 501(c)(3). Your donation is tax deductible.

Yes, I will help support this mission.
